Includes Remote Learning Support

As the exclusive provider of Plainfield Community Consolidated School District 202's onsite before and after school program, the C.W. Avery Family YMCA has the distinct pleasure of working each day with the youth in Plainfield. As District 202 continues to transition its hybrid learning model, we are continuing to monitor updates from the Centers for Disease Control and Prevention (CDC) and local, state and federal health officials to ensure our YMCA is prepared to welcome students to our Kid Zone PLUS program.

ALWAYS HERE FOR OUR COMMUNITY

As our community continues to navigate through this public health crisis, the Y is committed to providing much-needed child care for District 202 families during the 2020-2021 school year. The C.W. Avery Family YMCA will be providing child care, with remote learning support, for kids in grades K-8 at one centralized location in downtown Plainfield:

Our Kid Zone PLUS program will provide a resource-rich environment for children of all ages. HEALTH AND SAFETY GUIDELINES

Because the safety of our community remains our top priority, we have made modifications to our policies and programs to facilitate new safety and social distancing guidelines. To maintain a healthy and safe environment, all Kid Zone PLUS participants and staff will be required to adhere to strict health and safety guidelines, including:

- Daily health screenings and temperature checks
- Mask requirements
- Frequent handwashing

Students will be divided into small groups by grade level to ensure social distancing can be maintained throughout the day. Each group will have its own designated spaces and equipment.

The Y will also ensure high-touch areas are sanitized hourly.

OUR COMMITMENT TO YOU

Our reputation for consistency and safety, as well as our focus on youth development, gives parents the confidence they need to trust us with their children.
